Dear Palmira Homeowner:

It has been brought to the board's attention that there has been an increase in speeding through the community and cars running the stop signs. There has already been one person hit by a car while riding their bike. We have had reports of several near misses with golf carts and pedestrians.

When driving through the community, please follow the posted speed limit and stop completely at all stop signs. It is your responsibility to remind your renters and guests of this requirement. If this problem persists, we will be forced to place police officers in the community to give out tickets for these violations.

Please help us make our community safe for everyone by abiding by the rules while driving. The board members thank everyone for cooperating with this request.

Sincerely,

Kenneth Bloom, manager for the Palmira Master Homeowners' Association
The Board of Directors, Palmira Master Homeowners' Association
